

## PARENTS' ADVISORY COUNCIL MEMBERS VISIT THE PALACE

Parents' Advisory  
Council Members  
Meet Prince Phillip

198 people were invited from various PTA groups around the country to meet his Royal Highness Prince Phillip to celebrate 50 years of the National Confederation of Parent Teachers Associations. (NCPTA)

Two council members were invited to represent the Walsall Academy.

We had a wonderful day and enjoyed a lovely reception with Prince Phillip who made us feel very welcome and talked to us as we walked around the room.

Prince Phillip was president of the NCPTA for five years from 1960-1965. He finished the day by presenting some achievement awards to various associations. It was a day to remember and one we will never forget!
